

KasperAero Custom Debris Sensor Inquiry Form

To inquire, send your completed form to Info@KasperAero.com

Contact Information	
Contact Name:	
Date:	
Job Title / Role:	
Company:	
Address Email:	
Telephone:	
Country / Region:	

Technical Information	
Housing Material:	Plastic Aluminum Stainless Steel Other :
Mechanical Interface:	Threaded Single Bolt Flange Embedded Other :
System Type:	Lubrication Hydraulic Fuel Other :
Operating Environment:	Harsh/Vibration Corrosive Other :
Temperature Range:	
Nearest Proximity to Ferrous Components:	
System Power: (e.g., 0-24V, 4-20mA)	
Output Preference:	Analog Digital Both Not sure
Output Interface:	Digital Voltage Analog Voltage CAN I ² C UART Other :

Project Management Information	
Project Name:	
Intended Application:	
Timeline for Purchase:	
Quantity Needed: (Estimated Annual Usage)	
Additional Comments:	

Form Revision: A
Form Issue Date: 8-17-2025
